

**INFORMATION FOR POSTER PRESENTATIONS & DISPLAY**  
**AT THE EAIR 40<sup>th</sup> EAIR BUDAPEST FORUM**

Kindly provide the following details on the “Poster”:

- the title
- name of authors and/or co-authors, and affiliated institutions
- a brief introduction to the background of the problem and a statement of the aims of the work should be next
- a statement of the methods used including methods of collection of data.
- results should be informative and contain as much data as possible
- the poster should end with a conclusion, and references if appropriate.

The aim of putting up the “Poster” is to attract the Forum participants’ attention and to briefly communicate its ideas and relevance.

There will be special Poster presentation slots reserved to present your Poster to the EAIR Forum audience in Budapest in a separate designated Poster display area.

**The maximum available sizes of the Poster for the Poster Panels are:**

**SIZE A1 or Width 100 cm**

Please bear in mind that the participants will be standing at some distance, thus large fonts will draw more attention. The use of graphics and colours is encouraged. You could also hand out hard copies of the “Poster” for the interested Forum participants.

**Please also send us a PDF of your displayed Poster by email before the 6<sup>th</sup> of August 2018**

We will include in the Forum Final Programme; the name(s) of the main author, co-authors and the abstract (of not more than 100 words). In due time we will also feature your abstract and a brief outline of your “Poster” on the Forum website in a pdf document, it is no obligation.

Look forward to seeing you in Budapest!
